

GOVERNMENT E-MARKETPLACE (GeM)

Tender Document — Duplicate Test Copy

Tender Details

GeM Tender Reference Number	GEM/2026/B/SAFETY-004
Category	Safety Equipment
Tender Title	Supply of High-Pressure Gas Testing Safety Instruments
Issuing Authority	Chennai Petroleum Corporation Limited (CPCL)

Tender Scope

Supply of high-pressure gas testing safety instruments for industrial safety operations. The bidder shall comply with the technical, quality, delivery, inspection, warranty and safety requirements specified by the issuing authority.

Key Compliance Requirements

1. Equipment shall meet applicable safety and quality standards.
2. Instruments shall be suitable for high-pressure gas testing applications.
3. Supplier shall provide required technical documentation and certificates.
4. Delivery, inspection and acceptance shall follow the tender conditions.
5. Warranty and after-sales support shall be provided as specified.

Duplicate Test Document

This PDF intentionally uses the same tender reference number, tender title, category and issuing authority as the original tender so it can be used to test duplicate-tender detection in the ingestion pipeline.
